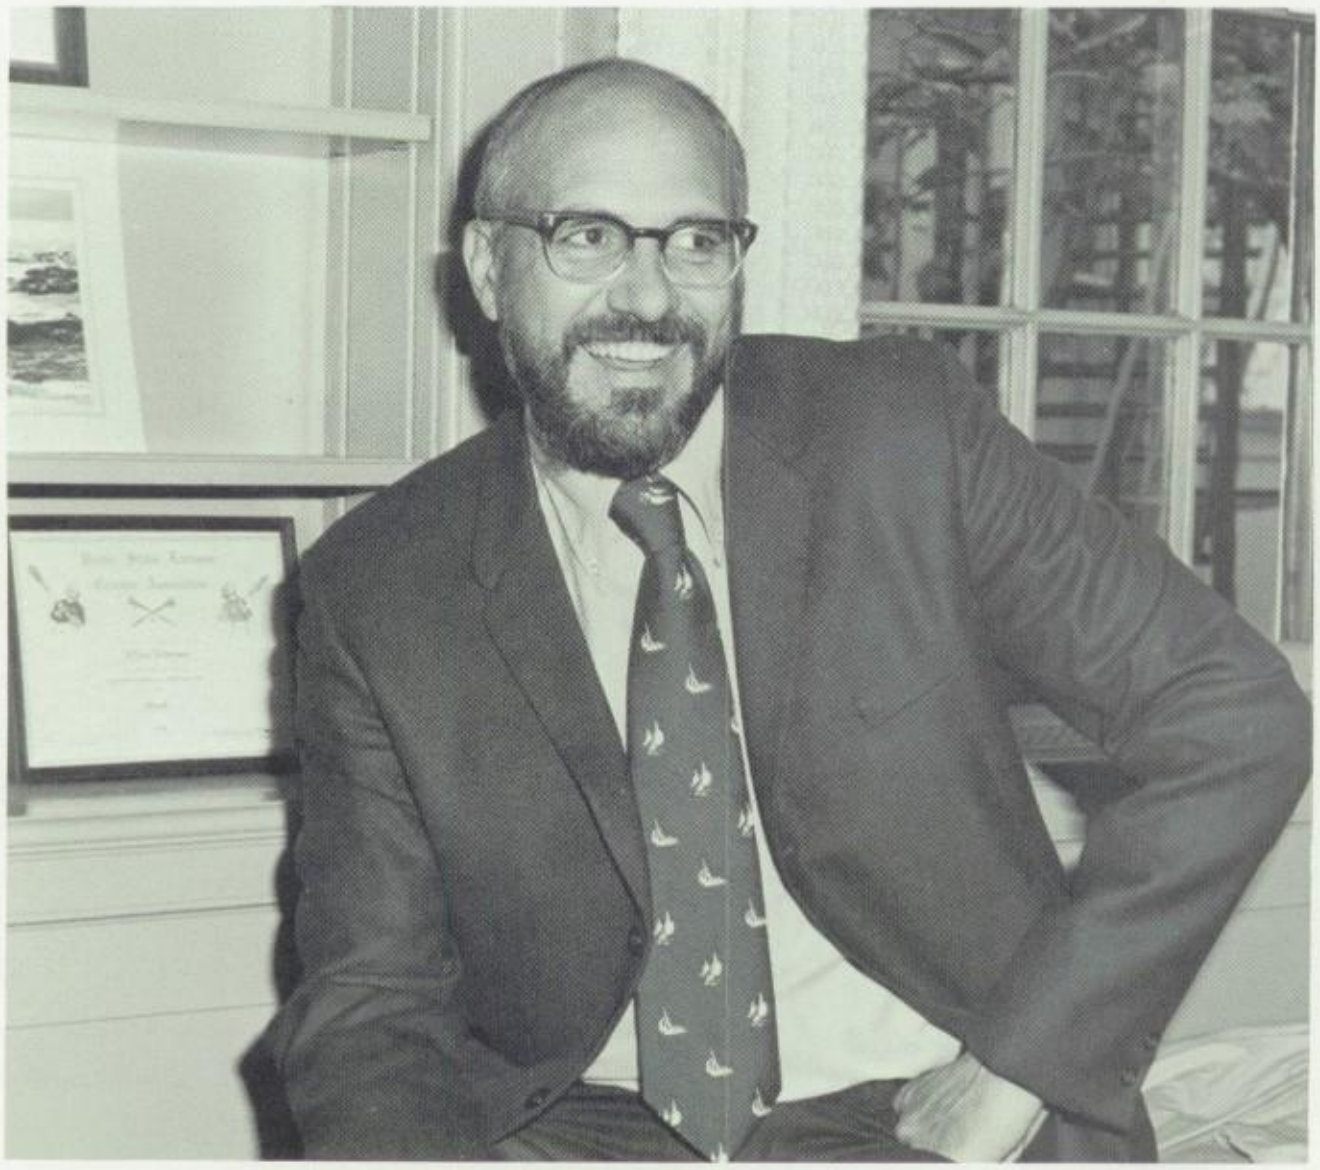
RETROSPECT 1979

KINGSWOOD-OXFORD SCHOOL

WEST HARTFORD, CT.

We of the class of 1979 would like to dedicate this edition of Retrospect to Mr. Alain Weber as an expression of our gratitude during our stay here. His unconquerable good spirits, flashing smile, unorthodox ideas and outrageous accent have cheered the class of 1979 tremendously. We shall remember him as a true friend, and as a wit and educator of the first class.

We, the class of 1979, would like to express our sincere thanks to Stewart Lindsay. We suppose it was only a matter of time before Mr. Lindsay would be appointed Dean of Students because of his genuine concern and dedication to the students at Kingswood-Oxford and the class of 1979. On the field, in the classroom or in his office, Mr. Lindsay's fairness and warmth affected us all in a special way. Among the many things we will miss will be the tall friendly figure and warm characteristic laugh of Stewart Lindsay.



In over a quarter of a century at our school, Frosty Francis has made an indelible impression both on the institution and on its people. The athletic program, the financial management, and the development office have all flourished under his direction. Games for all students, balanced budgets during economic crises and an Annual Fund that has grown from $13,000 to $161,000 per year all occurred under his leadership — in what might be called the Frosty Francis era.

All of the above give testimony to his intelligence and productivity but omit the importance of what may have been his greatest contribution: his leadership of character. Frosty could always be counted on to respond with unabashed honesty in his reactions to all things. He has given all of these attributes to the school over the years here. He has chosen, as we all must, to move on. To a great extent, our school is what it is today because of Frosty Francis. We all wish him the best of luck.

To laugh often and love much; to win the respect of intelligent persons and the affection of children; to earn the approbation of honest critics and endure the betrayal of false friends; to appreciate beauty, to find the best in others; to give one's self; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to have played and laughed with enthusiasm and sung with exultation; to know even one life has breathed easier because you have lived — this is to have succeeded.

Where do I Go?
Follow the River
Where do I Go?
Follow the Gulf
Where is the something?
Where is the someone?
That tells me why I Live and Die
Where do I Go?
Follow their smiles
Is there an answer
In their sweet Faces
That tells me why I Live and Die
Follow the windsong
Follow the thunder
Follow the neon in young lovers eyes
Down to the gutter
Up to the glitter
Into the city, where the truth lies.
Where do I Go?
Follow my heartbeat
Where do I Go?
Follow my hand
Where will that lead me?
And will I discover Why I Live and Die?

Moving in silent desperation
Keeping an eye on the holy land
A hypothetical destination
Say, who is this Walking Man?

Well the leaves have come to turnin'
And the goose has gone to fly
Bridges are for burning
So don't you let that eagernin' pass you by

Walking Man
Walking Man walks
Any other man just stops and talks
But the Walking Man walks

Well the frost is on the pumpkin
And the hay is in the barn
Pappy's come to ramblin' on
Stumblin' round
Drunk on the farm

Walkin' Man walks
He doesn't know nothin' at all

Most everybody got seeds to saw
It ain't always easy for a weed to grow
So he don't hoe the road for noone
'Cause sure one's always missing
Something's never quite right
Ah, but who would want to listen to you
Kissing his existence goodnight
Well if he had wings to fly
Would he be free?

The Tide Rises, The Tide Falls

The tide rises, the tide falls,
The twilight darkens, the curlew calls;
Along the sea — sands damp and brown
The traveler hastens toward the town,
And the tide rises, the tide falls.

Darkness settles on roofs and walls,
But the sea, the sea in the darkness calls;
The little waves, with their soft, white hands,
Efface the footprints in the sands,
And the tide rises, the tide falls.

The morning breaks; the steeds in their stalls
Stamp and neigh, as the hustler calls;
The day returns, but never more
Returns the traveler to the shore,
And the tide rises, the tide falls.

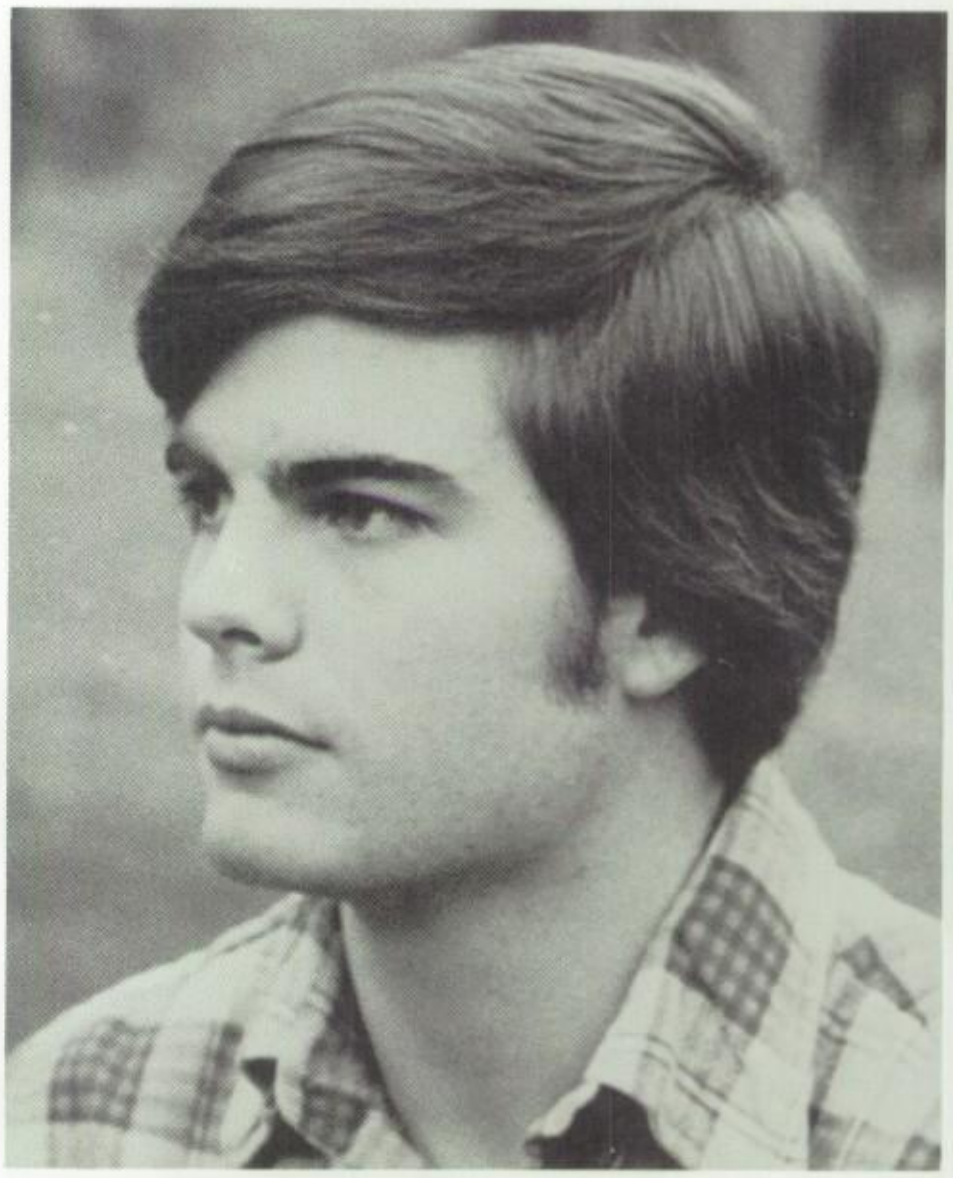
There is a pleasure in the pathless woods,
There is a rapture on the lonely shore,
There is society where none intrudes
By the deep sea, and music in its roar:
I love not man the less, but nature more,
From these our interviews, in which I steal
From all I may be, or have been before,
To mingle with the universe, and feel
What I can ne'er express, yet cannot all conceal.
— Byron



Grief can take care of itself, but to get the full value of joy you must have somebody to divide it with.

"It takes so much to be a full human being that there are very few who have the enlightenment or the courage to pay the price . . . One has to abandon altogether the search for security and reach out to the risk of living with both arms. One has to embrace the world like a lover. One has to accept pain as a condition of existence. One has to court doubt and darkness as the cost of knowing. One needs a will stubborn in conflict, but apt always to total acceptance of every consequence of living and dying."

Roads go ever ever on,
Over rock and under tree,
By caves where never sun has shone,
By streams that never find the sea;
Over snow by winter sown
And through the merry flowers of June,
Over grass and over stone,
And under mountains in the moon.

Roads go ever ever on
Under clouds and under star,
Yet feet that wandering have gone
Turn at last to home afar.
Eyes that fire and sword have seen
And horror in the halls of stone
Look at last on meadows green
And trees and hills they long have known.

If, however, all beliefs and appearances are true, then everything must be at the same both true and false. For many men hold opinions contrary to those of others and call deluded whoever does not think just as they do, and thus the same thing must both be and not be. Yet, if this is so, all beliefs must be true, since both those who are wrong as well as those who are right oppose the others' views. If then reality is like this, all are right in their beliefs.

Aristotle
On Man in the Universe
Chap. Metaphysics

"Why, why can we never be sure till we die
Or have killed for answers
Why, why do we suffer each race to believe
That no race has been grander
It seems because through time and space
Though names may change each face remains the mask it wore."

Is the smile that comes through tears."

VARSITY FOOTBALL

Row 1 — Cooley, Goldstein, Gustafson, Helsley, Ulcickas, Ergin, Parsons: Co-Captain, Cuda: Co-Captain, Bonee, Rudder, O'Brien, Felson, Webb, Meyers, Stephan. Row 2 — Falk, Lorden, Karas, Bailey, Gustafson, P., McNary, Bristol, Van Winkle, Mitchell, Hild, Nagle, Buckley, Guillet, Brogie. Row 3 — Helsley, D., McKenna, Fahy, Miller, Hughes, Babbidge, Jeresaty, Green.

With one game left in the season, against Avon Old Farms, a much-improved Varsity Football team's record stood at 3-4.

The fact that a .500 season was in reach at this point pointed to strides the squad had made since two seasons ago, when its record after seven games was 1-6.

Key to the turnaround was in improved offense, paced by junior quarterback Tim Lorden and his offensive line, seniors Jim Ulcickas, Tarik Ergin, Ron Goldstein, Mike Gustafson and Steve Rudder. The latter two, especially Gustafson, played an important role in the revived passing game. Senior Scot Helsley also lent his skills to a backfield otherwise made up of underclassmen.

Defensively, the Wyverns were paced by Co-Captains Bill Parsons at tackle, and Fred Cuda at linebacker. Other contributing seniors included Bob O'Brien, Andy Bonee, Chris Stephan, and Peter Meyers, who also played in the offensive backfield.

Highlighting the season was a thrilling, come-from-behind 28-20 victory over Taft, and a 34-15 win over Hopkins, an which junior Pat Gustafson rushed for the second best total in school history, 225 yards.

Row 1 — Pigott, Lindsay, Ribadeneyra, Howard: Co-Captain, Putnam: Co-Captain, LeBlanc, Friedman, Miss Kano: Coach. Row 2 — Lynch, Gordon, Alderman, McLean, DeLana, Pasternak, Davis, Connolly, DeGraff.

VARSITY FIELD HOCKEY

The 1978 Varsity Field Hockey season was not as successful as anticipated though the squad achieved a 5-8-1 record against incredibly intense competition. The team as a whole played superb hockey during the season and ended up winning the last three out of four games against such powerhouses as Hotchkiss and Taft. Coach Becky Kano has done an excellent job in the last two years raising the Field Hockey Team to a truly powerful squad that is to be taken seriously by all.

The forward line contained the potent offensive strengths of seniors Laura LeBlanc, Anne Davis, and Co-Captain Holly Howard, and they received much support from junior wings Kathy McLean and Carol Ribadeneyra. Every game during the season was closely contended and that can be attributed to the tenacious defense anchored by Co-Captain Suzy Putnam and senior defensemen Marty Pigott, Mary-Elise Connolly, Betsy DeGraff, and Sarah Whitaker, though juniors Laney Lynch, Libby DeLana, and Patricia Lindsay added much with their excellent backing up.

Next year a strong team will be formed by the nine returning players and a victorious season should be apparent. Offensively the thrust of the power will come from juniors Carol Ribadeneyra, Jane Alderman, Kathy McLean, and Susie Gordon. On the defensive end of the field the Kingswood team should be stellar, counting on juniors Laney Lynch, Patricia Lindsay, and Kim Friedman, while Libby DeLana and Ginny Pasternak will tend the Wyvern nets.

Howard: Co-Captain, Miss Kano: Coach, Putnam: Co-Captain.

Row 1 — Grower, Dunham, Ferrick, Marshall, Brady: Captain, Line, Pearson, Bower. Row 2 — Dixon: Coach, Zentner: Manager, Krygowski, DeFrino, Stephan, Johnson, Appleton, P., Levenson, Sundman, Rosensweig, Post, Langhauser, Glass, Brady, Han, Williamson: Coach. Missing: Waters: Coach.

BOYS VARSITY SOCCER

The Varsity Soccer Team finished it's season with a dismal 1-11-2 record. The '78 squad was very young, and this youth may have accounted for the disappointing show, despite consistantly tough playing by the Wyverns. A 5-1 shellacking of Berkshire provided the team with it's sole victory, despite the fact that the Syverns lost 8 games by 1 goal. Next year, the hopes for the soccer team are bright. Six sophomores and eight juniors will return to the '79 squad, providing a 14 man nucleus, and with the skill and spirit shown by the underclassmen, 1979 could be the year for the Wyvern booters. Sorely missed from this year's team will be seniors Chip Pearson, Rob Grower, John Line, Dave Ferrick, Bruce Marshall, and Bill Dunham. The team will especially be hurt by the loss of senior captain Gib Brady, who provided the leadership and incentive which kept the team going after 7 straight losses, to post an improved 1-4-2 record for their last seven games. Next years squad will be led by captains Bruce Bower and Steve Brady.

GIRLS VARSITY SOCCER

Row 1 — Every, Kowalski, Jacobsen: Co-Captain, Sigal: Co-Captain, Gaffney, Williamson. Row 2 — Wolman, Ravalese, Taggart, Anderson, Silk. Row 3 — Mr. Thomsen: Coach, Bush, Taylor, Thompson, Krevolin. Row 4 — Francis, DeBerry, Pearson, Beldon, Lazor. Row 5 — Richardson: Manager, White: Manager, Davenson, Savin, Dodd, Davis.

The Women's Varsity Soccer team compiled an impressive record of 11-1-1. Led by Co-Captains Janna Jacobson and Jill Sigal the Lady Wyverns tied only Rosemary Hall 1-1 and bowed to a powerful Taft team 1-0. Taft came into the game undefeated and with the win they secured the league title (WWNEPSSA) for the third straight year. The Varsity Soccer team not only almost captured the league title but they learned to play smart soccer as they improved both skills and strategy in every game. Kingswood's strongest games were against Williston, Loomis-Chaffee, Westminster, and in defeat, Taft. Coach Thomsen's squad compiled impressive statistics as they outscored their opponents 39-7 and posted six shutouts against such talented teams as Pomfret and Miss Porter's. Several seniors will be missed on next year's team. Offensively seniors Patti Davis, Terri Savin and Co-Captain Jill Sigal will be missed for their potent scoring, as they chipped in 9,10, and 12 goals respectively. A mainstay on the defense, Co-Captain Janna Jacobson was the controller of the midfield as she kept Kingswood on the offense, while being aided greatly by Diane Lazor. Other seniors that will be missed for their tenacious play are Marsha Davenson, Stacy Silk, and Mary Thompson.

The Woman's Soccer team next year will boast 16 returning players and several strong members of a 10-0-1 J.V. squad. Those people under the tutelage of Coach Thomsen will definitely carry on the powerful soccer program at Kingswood.

VARSITY VOLLEYBALL

Row 1 — Porter, Mastrobattista, Thiebeau, Brown, Dworkin. Row 2 — Iacampo: Captain V. Gushee, Butler, Marsh, Klemes, Hirsch, Raboy. Row 3 — Mather, Vailonis, Werhly, Sullivan, Steere, Rossi: Captain JV, James: Manager.

The focus this year has been on developing the skills of the many young members of the volleyball team. This contributed to out successes on the court this year. The team will sorely miss departing seniors Manager Anne James, Varsity Captain Beth Iacampo, Junior Varsity Captain Mary Rossi, Sharon Brown, Meg Wehrly, Susan Mather, and Anita Vailonis. Their team spirit was an incalculable asset to the team. Injuries forced many of the players out of circulation for all or part of the season, which has detracted from our performance on the court. The early season losses are far outweighed by subsequent victories which set an optimistic trend for the coming year. Next year's varsity captain is wished the best of luck.

VARSITY CROSS COUNTRY

Row 1 — Graham, Smith, Danaher, Walker, Maloney, Hull, Collins: Captain, Putnam, Norcross, Beck, Webb. Row 2 — Mr. Kyff: Coach, Bucknam, Lazor, Michaels, Freeman, Ward, Coursey, Tarental, McNemara, Nassau, Kimball, Youmans, Mr. Bell: Coach.

The Varsity Cross-Country Team, coached by Rob Kyff and Dave Bell, achieved a .500 season for the first time in recent years. Led by the performance of Captain Wylie Collins, the harriers conquered Suffield, Pomfret, Hopkins, Avon, and A.S.D. The most dramatic meet of the season was a one point loss to a powerful Kent team in which eight runners achieved personal best times. The efforts of Collins, who took first place in nine out of twelve meets, was strongly supported by senior runner Carl Beck, juniors Tom Maloney and Phil Walker, and sophomores Jon Hull and Tim Putnam, and Phil Danaher. Leading the JV team were sophomores Paul McNamara, Rich Kimball, junior Bucky Norcross, and freshman Chuck Corusey. The girls team consisted of sophomores Allison Webb, Jill Youmans, Kim Freeman, and freshman Julie Smith, and should enjoy a successful season next year. Although the team will feel the loss of seniors Carl Beck and Wylie Collins, next year's team should enjoy an equal amount of success under captain elect Tom Maloney, supported by returning letterman Hull, Putnam and Walker.

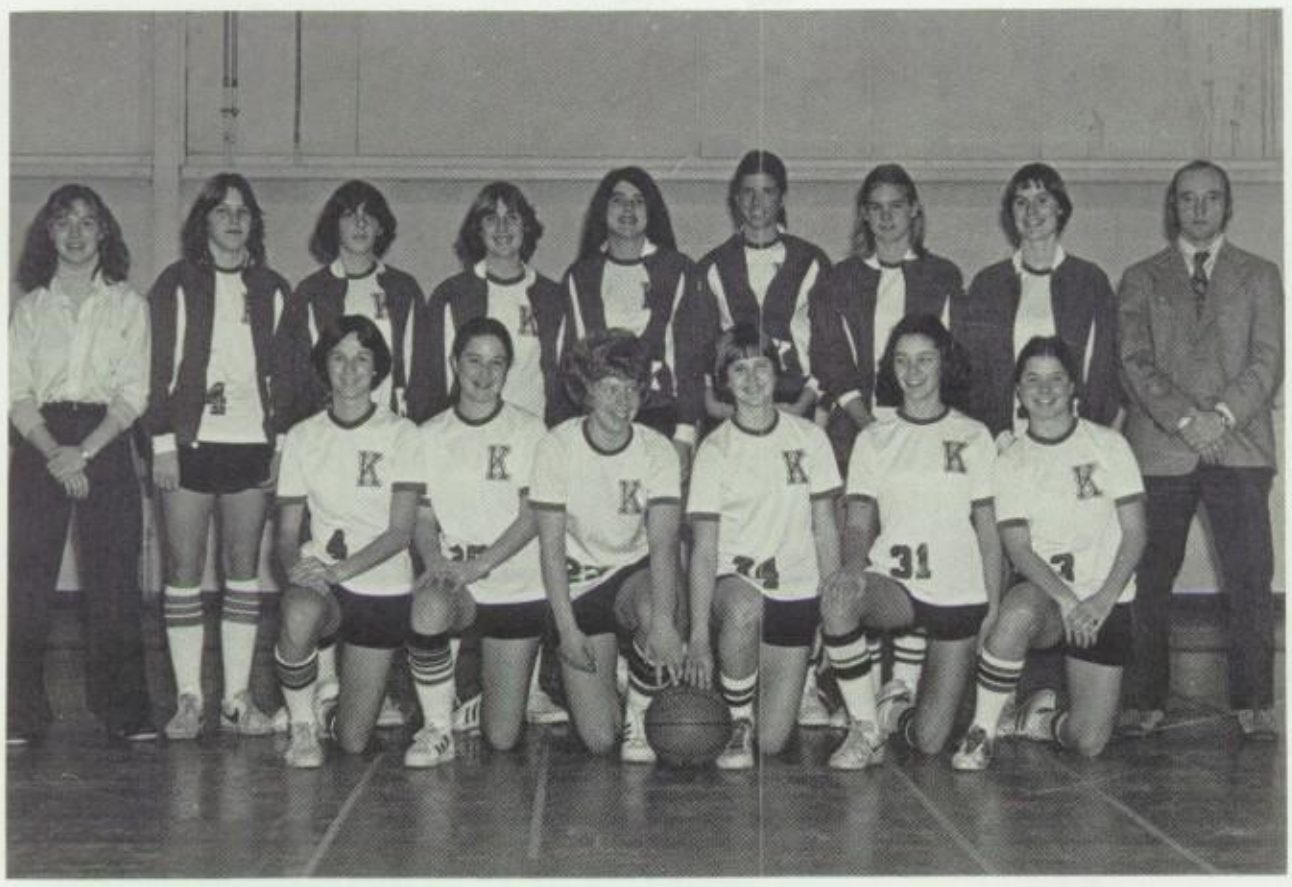
MOUNTAINEERING

Row 1 — Shannon, Jefferies, Peckham, Wade, Langman. Row 2 — Bleckner, McDonough, Large, G., Large, C., Knowlton, Allmandinger, Haviland, Raymond, Mr. Burt: Coach.

WORLD TOUCH FOOTBALL

Row 1 — Reagan, Wells, Pope, Kask, Sweitzer, Caldwell, Shipman, Mahoney, Mr. Shipway: Commissioner. Row 2 — Leventhal, Tam, Kliman, Child, Onorato, Taylor, Guiney, Lichtenfels, Eatherton, Lincoln, Downes, Javit, Nitkin, Whitey, Bafundo, Berman. Missing: Child, Mill.

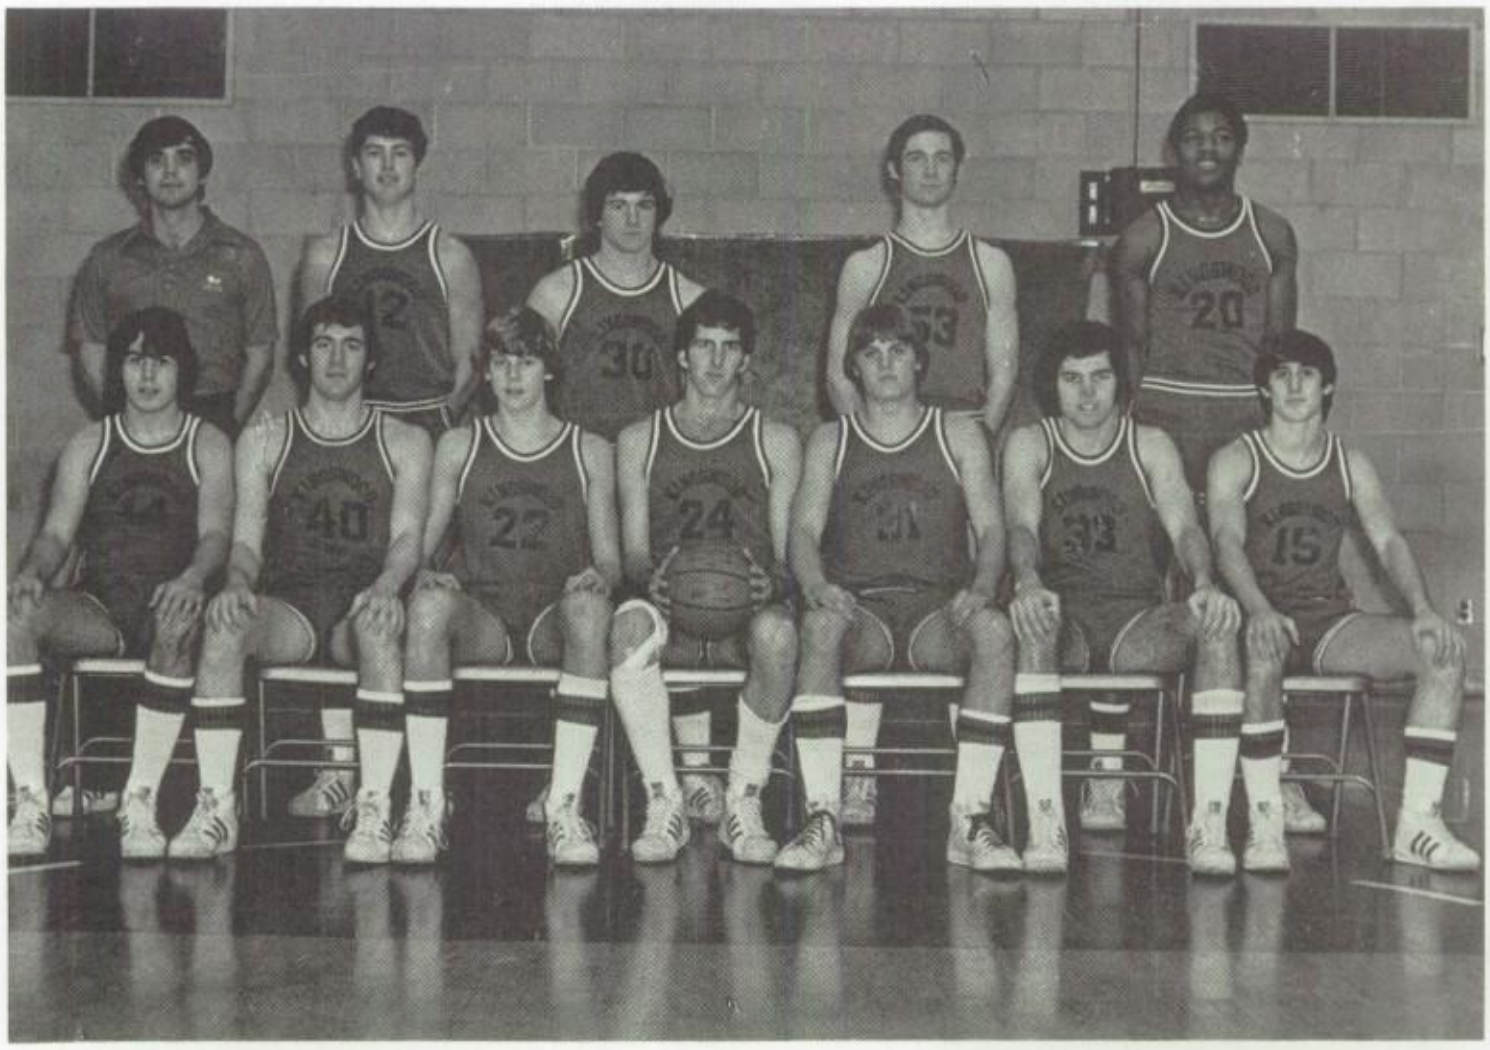
GIRL'S VARSITY BASKETBALL



Row 1 — Niekrash, Ribadeneyra, Howard (co-captain), Jacobson (co-captain), Francis, Kowalski. Row 2 — Shannon (Manager), Godfrey, Krevolin, McLean, Sigal, DeLana, Lynch, Putnam, Thomson (coach).

The Girls Varsity Basketball team appears headed for a much improved record over last years 7-6 finish. Coached by H.A. Tomsen the lady Wyverns have shown that a young team can definitely play a high caliber basketball game. Led by Co-Captains Janna Jacobson and Holly Howard, the squad played a tenacious full court press defense, while running multiple offenses. High scoring honors belong to Jacobson, who averaged 15-17 points per game, while Juniors Libby Delana, Janet Krevolin, Kathy McLean, and Senior Holly Howard were the rebounding powers. The real strength in the team comes from the incredible depth at all positions with freshman Susie Francis, Helen (Horrible) Godfrey, Nancy Niekrash, Sophomore Diane Kowalski, and Juniors Laney Lynch, Carol Ribadeneyra, Pat Lindsay, and Seniors Susie Putnam and Jill Sigal adding invaluable ingredients to each game. Jacobson, Howard, Putnam and Sigal are the only Seniors leaving the squad and they will all be missed. Next years' team will be very strong and should expect another extremely successful season.

BOYS VARSITY BASKETBALL



Row 1 — Bonee, Gustafson, M., Carlson, Brady, Rudder, McAuliffe, Stephan. Row 2 — Mr. Brennan, Miller, Redden, Gustafson, P., Hughes.

Twelve games into the midst of its most difficult season in receft years, Varsity Basketball's record stood at 3-9 — a lowly mark, yet a somewhat deceptive one. Some of these losses, usually against teams boasting greater individual talent, saw the hoopsters, under the first year Coach Dennis Brennan, lose control of the situation down to the stretch. Nevertheless, in victories over Taft (81-64), Hopkins (59-53), and Westminster (54-48), the Wyverns showed what they were capable of doing.

Pacing the teams — which seemed to lack that ever-needed "star player" — real stars, were captains Gib Brady, guard-forward; and Fred Kask, center. Although theslosss of these three-year players will be felt, Brennan can look to some key underclassmen, such as Jeff Smith, Steve Carlson, Chris Redden, and Ben Hughes to spark next year's team.

VARSITY WRESTLING

Row 1 — Hill, Powers, Jeresaty, Greene, DeFrino, Stephan, Goldstein, Meyers, Haverty, Sullivan, Tarantul, Danaher, Feldman. Row 2 — Putnam, Maloney, Helsley, Han, Romansante, Bradley, Byer, Byer, Grubowski, Baskind, Reed, Swomley.

After an unsure 0-2 start, Varsity Wrestling reeled off five straight wins before dropping a closer one to Taft, and thus stood 5-3 leading into the season's final stages.

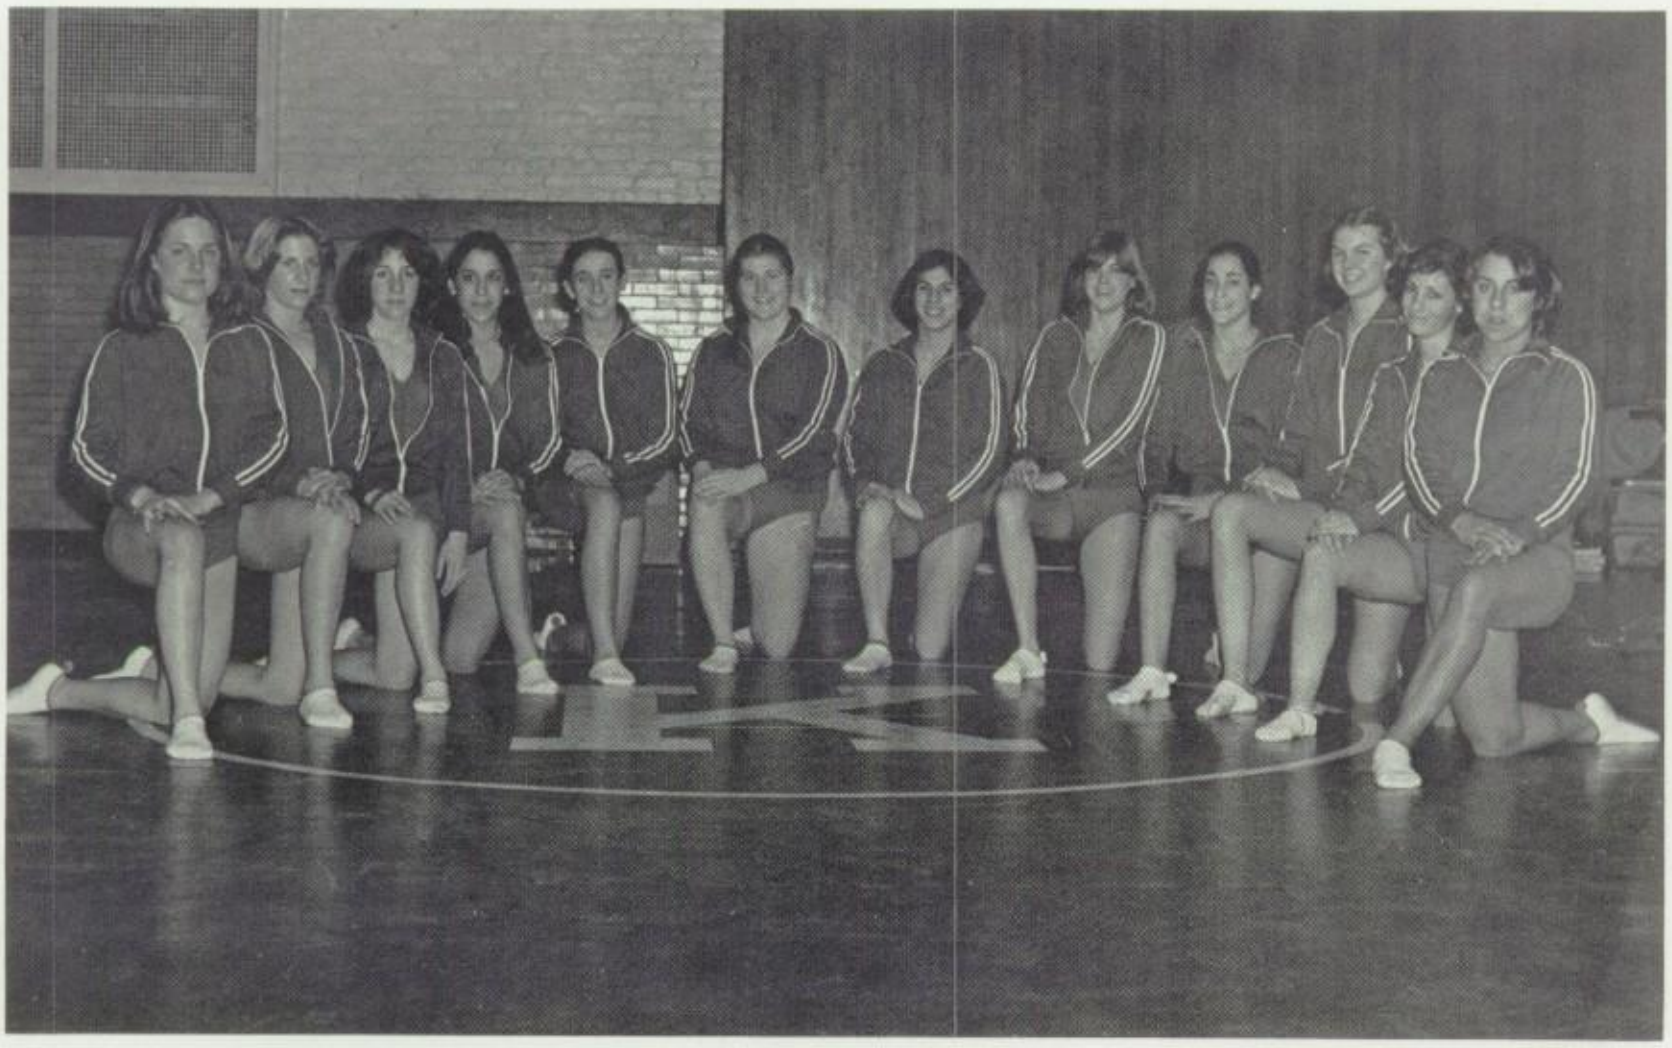
Greatly damaging the grapplers was the absence of both an unlimited and 98 lb. class wrestler at extremes, however, solid performances came from co-captains Ron Goldstein and Pete Meyers, as well as Paul Stephan, Tim Haverty, and John Powers. Keeping the squad's mid-season improvement in mind, Coach Bob Stiehler was confident of a strong showing in the state tournament at the end of February, in which the Wyverns finished a close third last year.

VARSITY HOCKEY

Row 2: Mr. Waters, coach, Street, Karas, Mischel, Nitkin, Reagan, Jones, Post, Dimmitt. Row 1: Walker, Warner, B. Satell, co-captain, Ulcickas, co-captain, Peckham, McNary.

This year's varsity hockey team had its most disappointing season since its start 6 years ago. However there were some bright spots: playing a close game against a powerful Suffield High, and the Loomis Tournament. The team was led by coaches Waters and Blackman, and Co-Captains Andy Satell and Jim Ulcickas. Next years team will be led by Andy VanWinkle, Jeff Street, Peter Warner, Zach Karas and David Walker. They will miss seniors J.C. Regan, Andy Peckham, Todd Nitkin, Satell and Ulcickas. Through the sale of Kingswood baseball hats the hockey team raised slightly more than $1,000 which will be put towards the new rink and athletic center that is expected to be completed by next season.

VARSITY GYMNASTICS



Left to Right; Cuda Co-Captain, Albert, Neidts, Zessos, Walton, Vailonis, Ravalese, Downes, Miller, Baker, Juros, Silk Co-Captain. Coaches; Miss Schork and Welch missing.

The Varsity Gymnastic team stood at 3-0 midway through the season, having routed Haddam-Killingsworth, Chate and Weaver. Led by Junior Co-Captain Beth Cuda (beam, floor and vault), Senior Jennifer Juros (all-around), Stacy Silk (bars and floor) and Liz Glassman (all-around), the squad was looking for continued success in the remaining meets. Four Seniors Silk, Juros, Laurel Baker and Anita Valonis will graduate, however a solid nucleus remains for next year.

BOYS AND GIRLS VARSITY SWIM TEAM

Row 1: Captains Pigott, LeBlanc. Row 2: Marshall, Warner, Nearman, Mahoney, Grayson. Row 3: Shaugnessey, Helm, Dodd, Porter, Anderson, Zeffiro. missing: Taggart, Taylor

The 1978-79 Girls Varsity Swim Team, led by co-captains Laura LeBlanc in diving and freestyler Marty Pigott finished a successful season with a record of 6-5. Highlights were victories over Westminster, Suffield and Miss Porter's. The team finished third in the CISSAC's and took three individual second places. The depth provided by the younger swimmers will continue to support next year's team, which will be led by sprinter Terri Taylor.

This year's Boys Varsity Swim team had a fairly successful season. The team was made strong by the fact that not all of their swimmers were seniors. They had swimmers of a variety of ages, from seniors to seventh graders. This depth will help to keep them strong next year, when they will no longer have senior co-captians Tarik Ergin and David Ridlon, both very strong swimmers. With the helpful leadership of next year's captains, Coach Alain Weber hopes to use the youth on the team to good advantage, taking the team to a winning season.

FRONT: Ridlon, Ergin — Co-Captains, left to right: Kliman, Stuer, Nonowitz, P., Nonowitz, A., Allemendinger, Rosenthal (manager), Newton, Bailey, Johnson, Guillet, Kimball. missing: Anderson, Ergin, Guiness, White.

GIRLS VARSITY SKI TEAM

Row 1: Bush, D., Webber, DeGraff Co-Captain, Richardson Co-Captain, McKenna, C., Bush, J., McKenna, J.E. Row: Mr. Gordon, Coach, Davis, B., Williamson, Gaffney, McKenna, J., Filer, Webb.

The Girls 1978-79 Varsity Ski Team is looking forward to a successful season. Early time trials indicated co-captains Betsy DeGraff and Heidi Richardson are leading the team with strong support from juniors Laura Williamson and Bobbie Bush and eighth grader Janet McKenna. Other strong skiers were Diana Bush, Carolyn McKenna, Kate Gaffney and Alison Webb.

A highlight of the skiers' season will be the Brody Invitational in which thirteen schools participate. The top five skiers from each school will compete in both slalom and giant slalom. The last big event of the season will be the League Championships held at Berkshire East.

The team looks forward to a winning season and hopes to have an even stronger season next year with co-captains Laura Williamson and Bobbie Bush.

The Girls Ski Team would like to express special thanks to Coaches Tom Richardson and Richard Gordon.

BOY'S VARSITY SKI TEAM

Row 1 — Gelles, Downes, Cuda (captain). Row 2 — Maxim, Morrison, Wade, Buckley, Downes, Russell, Ellison, Mr. Duke (coach).

After three meets, the Boy's Varsity Ski Team was off to an 8-0 start, and appeared in strong position to challenge for the Division I Berkshire Ski League Championship, which is lost to Hotchkiss last year. Keying the slopesmen were Fred Cuda, Pat Downes and Skip Hopkinson; that trio received strong support from John Downes, Phil Russell, Rich Buckley, Taylor Morrison and Lars Ellison.
